

2nd December, 2022

Dear Parents and Guardians,

I trust that this letter finds you well and all ready for the holy season of Christmas and the celebrations of the New Year. Thank you for your continued support of St Mary of the Angels Secondary College as we continue to grow and develop as a Catholic education community. To our new parents and families in 2023, we extend a very warm welcome and trust that your time with us will be affirming and life giving for you and your child/children.

Student reports will be available for access via PAM from Thursday 8th December, 2022. Parents/Guardians can log into PAM with your user name and password and the reports can be found in the Student Assessment & Reporting sideboard. Please contact the College if you are having trouble accessing PAM.

Please note that any student who has completed a subject for which they will receive an external statement of completion (eg. VCAA , GO TAFE) will not receive an end of semester report for that subject.

Our Bus Operations Manager, Camille Montgomery has asked me to let you know that there will be a letter forwarded in mid January advising of pick up locations and times for your child.

The College office will re-open on Monday 23rd January, 2023.
