

College Governance

'Governance of a Catholic school includes the legal and moral responsibility for and stewardship of the Catholic tradition, the school's story, traditions and resources. Legal, financial and educational accountability are elements of good school governance.' (Charter of Governance 2012).

Our College follows the Governance structure of Catholic Education Sandhurst Ltd.

College Advisory Council

The vision for Catholic Education Sandhurst Limited (CES Limited) is to provide, in partnership with our families, stimulating, enriching, liberating and nurturing learning environments in each of the Catholic school communities within the Diocese. At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing, and inclusion of all children and young people.

We believe:

- That the values of the Gospel are central to who we are, what we do, and how we act.
- In leadership encompassing vision, innovation and empowerment.

CES Limited is the new proprietor (owner and operator) of the existing fifty two schools within the Diocese of Sandhurst which was previously governed under unincorporated governance arrangements. Accordingly, the Board of Directors of CES Limited (the Board) is the governing authority of Sandhurst Catholic Schools as defined under the CES Limited Constitution. CES Limited is committed to working with school leadership and school communities to build thriving Catholic education schools. A key dimension of this collaborative work is the establishment and effective operation of advisory councils to support the work of schools. These advisory councils are not part of the governance structure and as such they sit separately from the delegation and reporting lines to the Board. They are a formation created at a school level to assist the Principal with advisory functions.
